

# Senior/Lead React Native developer

## Hungary

EPAMers think creatively and lead with passion and honesty. Our people are the source of our success. We value collaboration, work in partnership with our clients and strive for the highest standards of excellence. In today's market conditions, we're supporting operations for hundreds of clients around the world remotely. No matter where you are located, you'll join a dedicated, diverse community that will help you discover your fullest potential.

## See Yourself in this Role at EPAM

We are looking for a Senior/Lead React Native Developer to join our team in Hungary. You can work with latest technologies and we are providing opportunities to deepen your technical knowledge (e.g.: Cloud technologies) on our various projects.

## What You Will Do

- Active&Strong development contribution into React Native application.
- Collaborate with cross-functional teams to define and implement project requirements
- Ensure the project meets all quality standards
- Debug and troubleshoot any issues that arise during development
- Provide technical guidance and mentorship to team members

## What You Bring

- Strong proficiency in React Native
- 5+ years of experience
- Good understanding of algorithms and data structures
- Experience in application development of medium-load (hundreds of thousands requests per second) large-scale business-critical applications
- Ability to make data-driven decisions
- Excellent problem-solving and debugging skills
- Ability to work in a fast-paced, collaborative environment
- Strong communication and interpersonal skills
- The candidate should have a minimum English language level of B2+
- Experience in other front-/backend technologies (Node.js, React, NextJS, cloud-native deployments, AWS, etc.) is nice to have

## What We Offer

- Dynamic, entrepreneurial corporate environment
- Diverse multicultural, multi-functional, and multilingual work environment
- Opportunities for personal and career growth in a progressive industry
- Global scope, international projects
- Widespread training and development opportunities
- Unlimited access to LinkedIn learning solutions
- Competitive salary and various benefits
- Advanced wellbeing and CSR programs, recreation area
